

Parking info

HUONE customer parking is located on the back of the building. Drive through the gate in the middle of the building from Amager Strandvej. Take an available parking space, please note, there are a lot more free spaces further behind the building. Please note some parking spaces are reserved for other companies, please see signs to see if the space is reserved.

To pay for parking download the app “Easy park” and use area code 4310, choose the time needed.

Parking costs:

Dkk 75,00 per day
